Regional Centre for Urban & Environmental Studies
All India Institute of Local Self-Government

Established in the year 1968, is supported by the Ministry of Housing & Urban Affairs, Government of India

RCUES, Mumbai covers the States of Maharashtra, Goa, Gujarat, Rajasthan and UT's of Diu, Daman, Dadra & Nagar Haveli and Lakshadweep in the Western Region and States of Assam and Tripura in the North East Region.

About *RCUES, Mumbai*

The Regional Centre for Urban & Environmental Studies (RCUES) at All India Institute of Local Self-Government (AIIILSG), Mumbai was established by the Ministry of Housing and Urban Affairs (MoHUA), Government of India (GoI) to undertake urban policy research, technical advisory services and strengthening work capabilities of elected representatives and municipal officials from the States of Maharashtra, Goa, Gujarat, Rajasthan and UT's of Diu, Daman, Dadra & Nagar Haveli and Lakshadweep in the Western Region and States of Assam and Tripura in the North East Region. The Principal Secretary, Urban Development Department of Government of Maharashtra (GoM) is the ex-officio Chairperson of the Advisory Committee of the RCUES of AIIILSG, Mumbai, which is constituted by the MoHUA, GoI.

The RCUES, Mumbai was recognized by MoHUA, GoI as a National Training Institute (NTI) to undertake capacity building of municipal elected representatives, municipal officials & mission functionaries under the earlier urban poverty alleviation programme-UBSP. The RCUES, Mumbai was also recognized as a Nodal Resource Centre for SJSRY (NRCs) and Nodal Resource Centre (NRC) for RAY by the then Ministry of Housing and Urban Poverty Alleviation, Government of India.

The then Ministry of Urban Employment and Poverty Alleviation (MoUE&PA), GoI and UNDP have set up the 'National Resource Centre for Urban Poverty' (NRCUP), which is anchored by RCUES of AIIILSG, Mumbai.

AIIILSG, Mumbai is empaneled by the Ministry of Housing and Urban Affairs, Government of India, for providing technical support to the ULBs in the field of water supply, sanitation, sewerage and drainage systems. RCUES of AIIILSG, Mumbai is also identified as a technical service provider in Municipal Solid Waste Management projects under Swachh Bharat Mission (SBM) launched by the MoHUA, GoI.

In February 2016, the then Ministry of Housing and Urban Poverty Alleviation, Government of India empaneled the RCUES of AIIILSG, Mumbai for conducting training and capacity building programme for experts of SMMU, CMMUs, COs, Key Officials and other stakeholders of the states and ULBs under Deendayal Antyodaya Yojana – National Urban Livelihoods Mission (DAY – NULM).

In 2017, AIIILSG was empaneled among one of the 35 agencies in India for conducting Integrated Capacity Building Programmes (ICBP). AIIILSG, Mumbai is supporting the states of Maharashtra, Rajasthan and Goa for the same.

Over the years, RCUES of AIIILSG, Mumbai has been working in close coordination with state and local Governments to provide strategic, advisory, technical and capacity building support for assessment and improvement in infrastructure service delivery in cities.

Maharashtra Urban WASH and Environmental Coalition (Maha UWES-C) is a joint initiative of the RCUES of AIIILSG, Mumbai, and UNICEF Maharashtra. The Coalition brings together local organisations, through institutions and sector experts to strengthen municipal capacities and encourage collaborative action to enhance service delivery in WASH (Water, Sanitation, and Hygiene) in urban Maharashtra. The Secretariat of the Maha UWES-C is anchored at RCUES of AIIILSG, Mumbai. In 2022, MoU is signed with the Directorate of Swachh Maharashtra Mission, Urban Development Department, Government of Maharashtra for building capacities, facilitating partnerships, and supporting innovations under Swachh Maharashtra Abhiyan - Urban 2.0 under Maha UWES-C.

Along with ULBs, it is also engaging with multiple stakeholders like NGOs/CBOs, SHGs, private sector organisations, financial institutions at city level for providing technical and strategic support focusing on preparing action plans/strategies, technical assessment reports, CSPs/CDPs/DPRs as well as on-ground support by engaging with communities for improvement in various urban sectors to ensure improved quality of life to the citizens. AIIILSG, Mumbai is also working at the grass root level in cities through field visits, guiding ULB officials, conducting situation assessments with the objective of bridging the gap between the cities and state for sustainable sanitation solutions under Swachh Bharat Mission - Urban.

Through all these activities, RCUES of AIIILSG, Mumbai is striving to transform the notion of capacity building by not limiting itself to training / workshops but engaging with the state and local governments at multiple levels. With a small but enthusiastic team, RCUES of AIIILSG, Mumbai will continue to strive towards improving the capabilities of municipal officials with a broader objective towards developing able governments thereby enabling better cities.

Programs & Seminars

Regional Centre for Urban & Environmental Studies (RCUES) of All India Institute of Local Self Government (AIIILSG), Mumbai is providing support to Government of India (GoI), States and Urban Local Bodies (ULBs) through training, capacity building, & technical support in the implementation of projects primarily in states of Maharashtra, Goa, Gujarat, Rajasthan, Assam & Tripura and Union Territories of Diu, Daman, Dadra Nagar Haveli & Lakshadweep.

Capacity Building Programs & Seminars are essentials for municipal elected representatives & municipal officials of ULBs and mission functionaries of flagship missions launched by MoHUA, GoI for its effective implementation. These programs aim to enhance their capacity, knowledge, and skills to ensure that the objectives of these missions are achieved efficiently and sustainably.

By aligning these training objectives with GoI flagship missions, elected representatives & municipal officials of ULBs and mission functionaries will be better equipped to deliver sustainable urban development, improve governance, and enhance the quality of life for urban residents.

All the capacity building programs and seminars of RCUES of AIIILSG, Mumbai are designed in alignment with the current need of ULB stakeholders and in alignment with the implementing missions and policies at city level. On this note, RCUES, AIIILSG, Mumbai welcomes all to offline capacity building programs and seminars in the FY 2024-25.
